

30th Annual South Platte Forum

October 23-24, 2019, The Westin, Westminster, CO

We are excited to announce that this year the South Platte Forum will be hosted at a new, updated venue, The Westin Westminster. This is an exciting next step for the South Platte Forum, as it will allow us to be closer to many of our attendees, have more capacity to grow the conference, and utilize a brand new space that will provide an improved conference set up that is more inclusive of our exhibitors and sponsors.

We will be in The Westin's brand new Legacy Ballroom, a 10,000 square foot room with an attached foyer. The sponsors and exhibitors this year will be setting up in this space, as opposed to in a separate hall, and we will be holding sessions, meals, receptions and breaks in this cohesive ballroom. For our valued sponsors and exhibitors, the visibility of your booths and opportunities to connect with conference attendees will be significantly increased.

We are so glad to be offering a higher value to our generous sponsors and exhibitors, because without you, this conference would simply not be possible. We are also thrilled that we are able to offer a tax receipt for your contributions as sponsors since, as of 2018, we are officially a nonprofit entity. Thank you for considering supporting the South Platte Forum in our 30th year of bringing people together to exchange ideas and information important to resource management in the South Platte River Basin.
